An aerial, top-down view of a white motorboat on clear, turquoise water. The boat is oriented diagonally from the top-left to the bottom-right. On the deck, several people are visible: some are lying on lounge chairs near the bow, while others are standing or sitting near the stern. A white outboard motor is mounted on the transom. The water is exceptionally clear, showing some seabed details. The overall scene is bright and sunny, with shimmering reflections on the water's surface.
